

Board Positions – Expressions of Interest

- **Positions available**
- **Company Secretary**
- **Board Director**

Raise Foundation's **Intent** is to offer early intervention, evidence-based mentoring for young people in high schools with trained and trusted independent adults. Our **Impact** enables young people to get through adolescence, believe in themselves and others, and be equipped to shape a purposeful life. Our **Aspiration** is to create thriving communities by delivering mentoring programs across Australia, prioritising younger students in public secondary schools who are most at risk of disengagement or poor wellbeing.

Raise is currently accepting expressions of interest from appropriately qualified and experienced people to join our Board of Directors. We have availability for a **Company Secretary** and an additional **Board Director**.

Our **Company Secretary** is responsible for facilitating Raise Foundation's corporate governance and compliance processes. The position oversees high level financial and legal matters and is accountable for ensuring our Board processes run effectively and efficiently. Our **Board Director** is responsible for ensuring we meet our obligations, setting the strategic direction to help us achieve our purpose, and overseeing our financial and risk management.

We have an extremely **positive and engaged** Board of Directors at Raise, who are passionate about our Strategic Impact Plan and youth mentoring in Australia. Our Board works closely with our Leadership Team and has the opportunity to work with our **Patron's Advisory Council** on a quarterly basis, chaired by David Gonski AC.
