

## Raise Youth Mentoring

### Program Evaluation Survey Questions

*All questions are **optional** - your child can choose to answer all, some or none of the questions in each survey.*

Questions we will ask your child at the **START** of Raise mentoring:

- About your child – demographic characteristics and what your child is interested in
- Expectations about mentoring – whether your child is happy to participate and what they would like to get out of mentoring and from their mentor
- How your child currently feels about their own confidence, resilience, perseverance, school engagement, help seeking and related areas

Questions we will ask your child at the **END** of Raise mentoring

- Your child's experience in the mentoring program – whether they enjoyed the program, things they liked and didn't like, and how they felt the program helped them
- Your child's experience with their mentor – whether they enjoyed talking to their mentor and whether they connected with their mentor
- How your child found specific aspects of the program – the activities, the handbook, the Raise Program Counsellor
- Whether the program helped your child with their communication, goal setting, connection to their school, friendships at school, likelihood of helping others
- Whether the program helped your child with specific issues they **MAY** be experiencing including mental health and social challenges
