

strategic IMPACT PLAN SUMMARY 2021

Purpose

Young people across Australia are experiencing an increasing number of challenges that impact their wellbeing, yet many are unable to access someone or somewhere for support during adolescence

Impact

Young people are able to navigate challenges, believe in themselves and others, and are equipped to shape a purposeful life

Intent

Offer early intervention, evidence-based mentoring for young people in high school with trained, independent adults with whom they can develop a trusting relationship

Aspiration

Create thriving communities by offering mentors to all public secondary schools, prioritising year 8 students who are most at risk of disengagement or poor wellbeing
